

WHAT'S NEW IN SPECIALTY PHARMACY ACCREDITATION VERSION 5.0?

REDUCED NUMBER OF REQUIRED SUBMISSIONS

You'll be asked to submit 50% fewer documents than in past versions.

SHORTENED TIMELINE

You'll submit your application and receive a decision in about six months.

INCREASED FOCUS ON DISTRIBUTION MANAGEMENT

Distribution Management is now its own separate focus area separate from the pharmacy operations focus area.

NEW SPOTLIGHT ON CLINICAL INTERVENTION OUTCOMES

We're asking you to show us how you track clinical interventions and the outcomes from those interventions.

Distribution Management is now its own separate focus area separate from the pharmacy operations focus area.
