

WITH URAC, YOU HAVE A CHOICE FOR HEALTH PLAN ACCREDITATION

And switching to URAC is easy. Our health plan experts can help walk you through the process. Simply download a copy of our standards and we'll put together a proposal for your organization after a quick consultation about your unique needs. Then you'll sign the accreditation agreement and you're ready to start your accreditation journey!

URAC Health Plan Accreditation

URAC offers health plan accreditation in all states and territories. And there are 13 states where URAC fulfills state requirements for health plan accreditation: Connecticut, Florida, Iowa, Michigan, Minnesota, Montana, North Dakota, New Jersey, New Mexico, Nevada, Texas, Utah and Vermont

URAC offers accreditation for:

- Health Plans
- Health Plans with LTSS
- Medicaid Health Plans
- Medicaid Health Plans with LTSS
- Marketplace Health Plans

What a health plan that switched had to say about URAC's accreditation and process:

“

[Our health plan]

was accredited by a different organization in the past. The switch from the other organization to URAC was seamless ... we felt URAC offered more of an educational program which we need as we are growing our organization.”
