

Kylanne Green

President and Chief Executive Officer

Kylanne Green is President and CEO of URAC, a national accreditation leader. A Registered Nurse and Adult Nurse Practitioner by background, Ms. Green has more than 40 years of experience in health care delivery and insurance strategy and operations. Most recently, she served as Executive Vice President for Inova Health System and CEO of Inova's Care Management and Health Plan Operations. She was responsible for managed care and insurance services and health plan operations as well as care management and a range of hospital and non-hospital operations. While at Inova, Ms. Green was the chief architect of a 50/50 joint venture with Aetna, establishing the first of its kind collaboration between a health system and an insurer. In addition, she oversaw the purchase and subsequent operations of a 60,000 member Virginia Medicaid MCO.

Ms. Green served as the Chief Operating Officer of the Health Insurance Association of America, Chief Operating Officer of Aetna Health Plans of the Mid-Atlantic, and held various leadership positions at Kaiser Permanente, where she spent the first 16 years of her career. She also serves on a number of academic, community service and private industry boards, and is a past member of the Council on Graduate Medical Education
